

Your ticket for a cancelled Spot On show

Dear Audience Member,

I'm sure it will come as no surprise to you that, following the government's advice to avoid non-essential social contact, we have made the decision to cancel all Spot On shows for the rest of the Spring season.

This is disappointing news for us all but it is important that we remain safe in these difficult times.

We hope to be back in the Autumn when Spot On celebrates 25 years of bringing fantastic professional performing arts direct to the communities of Lancashire.

This situation is potentially devastating for arts organisations like Spot On Lancashire - but you can help.

Would you consider converting all or part of your ticket money into a donation to Spot On to help ensure that we will still be able to bring you great shows once this is all over? You can donate at any time to Spot On via our [PayPal Donate Account](#)

Alternatively, you could put your ticket money towards a [Spot On Supporter card](#). This helps us and will offer you great benefits once we are up and running again.

Here's what to do:

- If you are happy to convert your ticket money (or part of the sum) into a donation please contact the promoter at Vicarage Park on 07739 626100
- If you would like to put your ticket money towards one of our supporter cards - call Spot On on 01254 660360 or email hello@spotonlancashire.co.uk and we will happily sort this out for you. Alternatively fill in and send us a copy of the attached form. We will automatically apply your supporter card to the next available Spot On season. Add details of your Spring 2020 ticket to the form.
<https://spotonlancashire.co.uk/wp-content/uploads/2020/01/Spot-On-Supporter-Card-Application-Form-Terms-and-Conditions.pdf>
- If you would still like a refund that's fine, but please contact the promoter at Vicarage Park on 07739 626100

We are here to help. Any questions - call us on 01254 660360
