

STUTE THEATRE FABLES AT THE KITCHEN TABLE

THE WINTER WIND & SUMMER SUN

THE IN-BETWEEN SEASON

In the fable of the Winter Wind and the Summer Sun, the wind and sun are arguing about who is in charge of the 'in-between season'.

What is the name of the season that comes between Winter and Summer?

Can you name another season?

In the fable we learned about wind and sunshine. What other types of weather can you think of?

Can you draw a picture of the Winter Wind and the Summer Sun trying to persuade the man to remove his coat?
